

Werk Nr. 707 ATO-MAT

Batteriewerk mit elektronisch durch Transistor gesteuertem Antrieb, 4 Steine, Schwebeunruh, Nivarox-Spirale I, Feinregulierung

No. 707 ATO-MAT

Battery movement with transistor-controlled power supply, 4 jewels, floating balance, Nivarox hairspring I, precision regulating device

No. 707 ATO-MAT

Mouvement à pile avec marche commandée électroniquement par transistor, 4 rubis, balancier flottant, spirale Nivarox I, dispositif de réglage de précision

No. 707 ATO-MAT

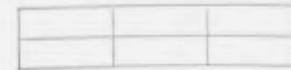

Máquina con pila, marcha de mando electrónico por medio de transistor, 4 rubis, volante flotante, espiral Nivarox I, dispositivo de reglaje de precisión
