

Junghans »isovox« trivox

Clocks with a distinctly continental flair.

Durable design means low-profile alarms for tasteful timing.

- Accurate to within 60 seconds a year.
- Three years of dependable service on one battery.
- Luminous figures and hands.
- Sweep second hand feature.
- »trivox« (three-tone) – pleasant, continuously growing stronger and intermittent alarm signal.
- Large, convenient off-on top bar.
- Single-button alarm/time setting.
- High-impact, antistatic ABS-case.
