

SPEKTRUM LADIES

Spektrum Ladies
015/1506.00
Dial with 16 diamonds

The finest definition of precision.

An elegant eye-catcher. Only the sun truly penetrates to the remarkable core of its uniqueness: beneath the shimmering mother-of-pearl dial lies the incomparably precise multi-frequency radio-controlled solar movement from Junghans. The Spektrum blends true beauty and genuine innovation to create a true jewel of time measurement – and a completely new type of ladies' watch.
