8/7601 TRI-VOX Silent Tic 4 1/4" x 3 1/4"
Ivory case with black dial, gilt raised Arabic figures, radium dots and hands.
J 600 **Retail: \$ 9.95**

The most accurate 7 jewel Travel Alarm Clock, genuine leather case, gilt frame, bevelled convex glass, radium dial and hands, extra flat movement and the added feature: shockproof balance and unbreakable mainspring, both for time and alarm.

The most unusual Alarm Clock ever made, the Junghans TRI-VOX "Silent Tic". First it whispers, then it softly chimes and finally it rings loud.
Ideal for the light sleeper and for those who do not awaken easily.
